Chapter 9
INSTABILITY

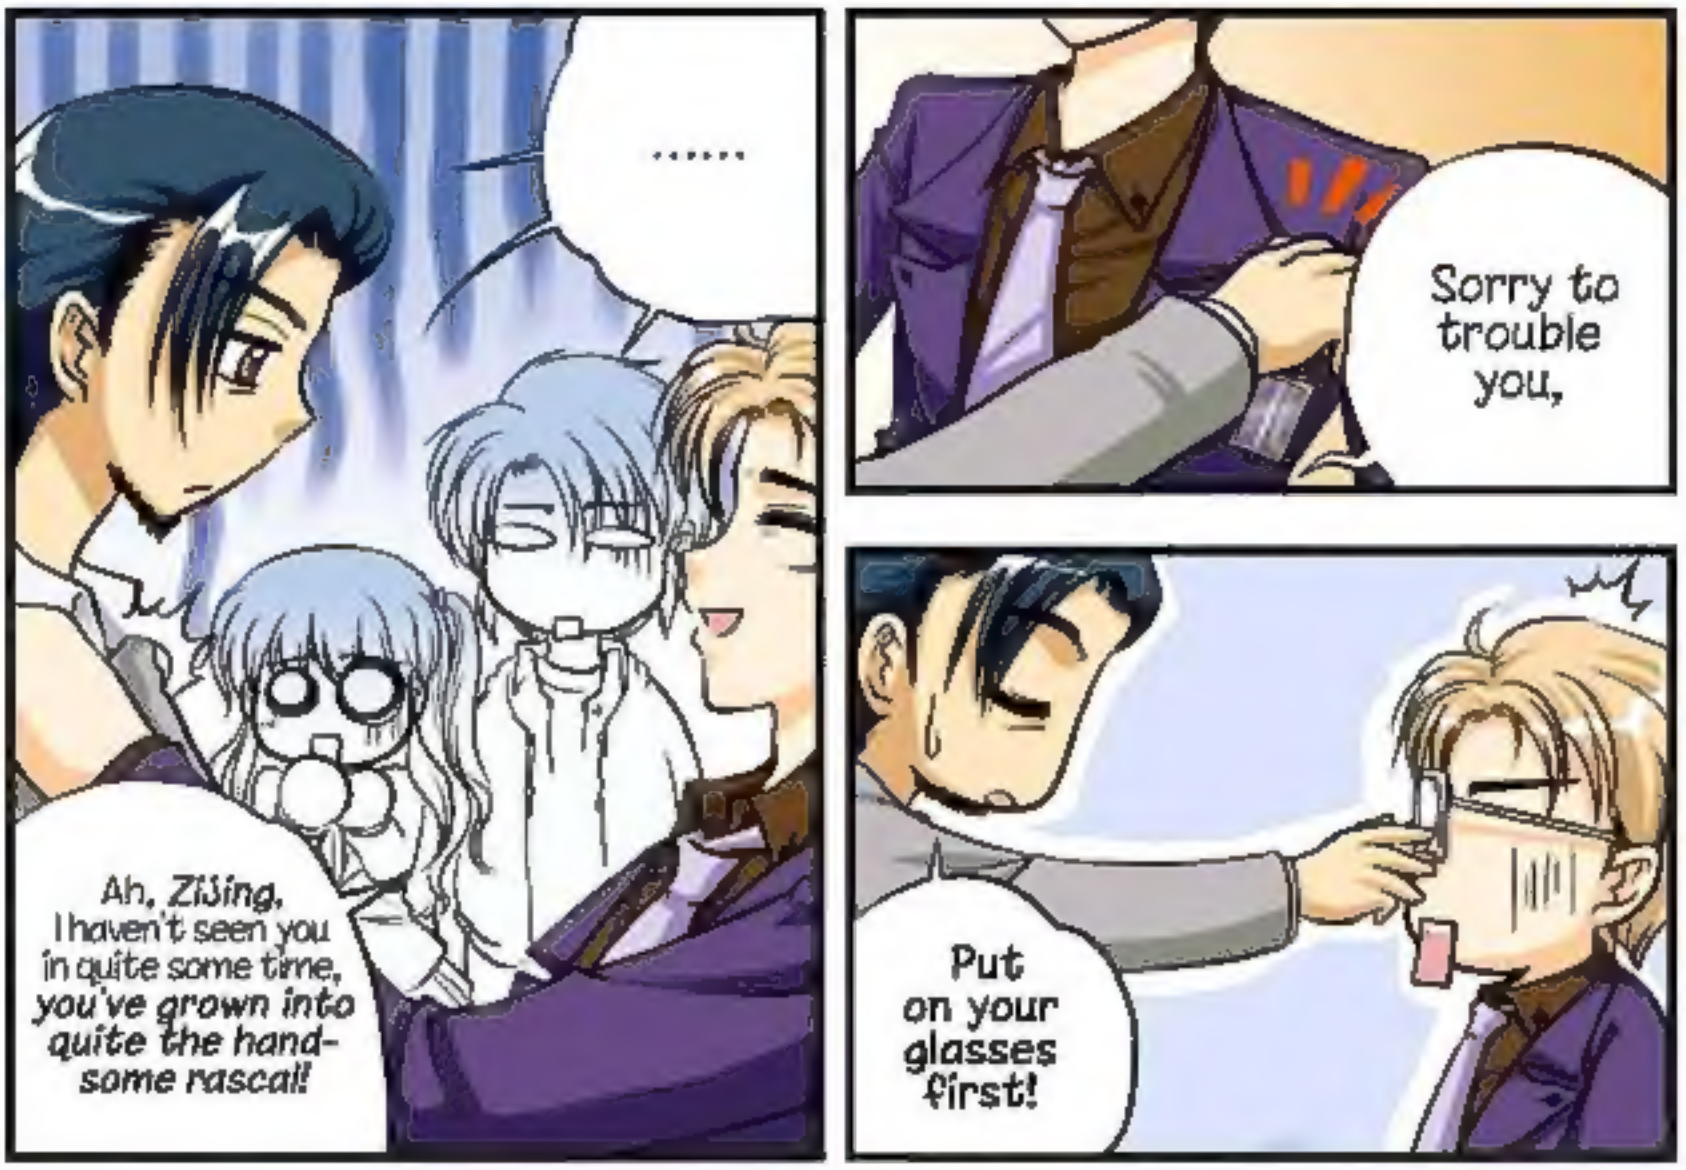
Kexin, this is the person who wants to see you.

bang

Ah, Kexin, you're here.

DAD?! Why are you here?!

Good day, Uncle.



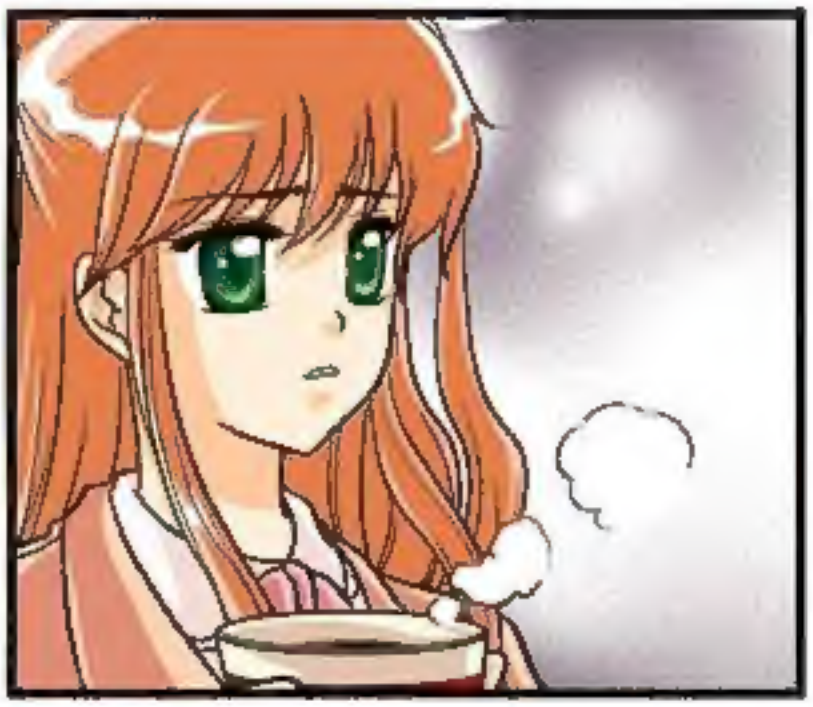
.....
Ah, ZiJing, I haven't seen you in quite some time, you've grown into quite the handsome rascal!
Sorry to trouble you,
Put on your glasses first!

Why were my glasses with you?

Dad, didn't you go on a business trip to America?

And isn't this the Conclave of the vampire hunters? *You're...*

Correct, ***I'm a vampire hunter too.*** I'm really sorry about hiding all of this from you and your mother.



My assigned mission was reconnaissance and intelligence-gathering, so I couldn't spend much time with you.

Originally, I'd planned to sit down and have a long chat with you, but we're pressed for time, so I'll give you a summary.

Your mother and I are both *normal humans,*

But for some unknown reason, *you were born with the mark of the vampires on the back of your hand.*

I heard about what happened a few days ago. Looks like joining the Conclave because of that mark was the right idea,

But I really regret hiding this mark business from you, especially since Zijing nearly died because of it.

The Conclave gave my son and I this mission, and Kexin's just a normal girl. ***Us vampire hunters are obliged to protect her!***

With that mark on her hand, ***she's no longer an ordinary girl.***

UNCLE LIN, ALL THIS HAPPENED BECAUSE I WASN'T STRONG ENOUGH...!

No, Zijing, you've done nothing wrong!

Kexin,

You can't just think about your own safety, you should learn to protect yourself...

HUH?!

Then... what can I do?

Kexin, *become a vampire hunter!*

blargh

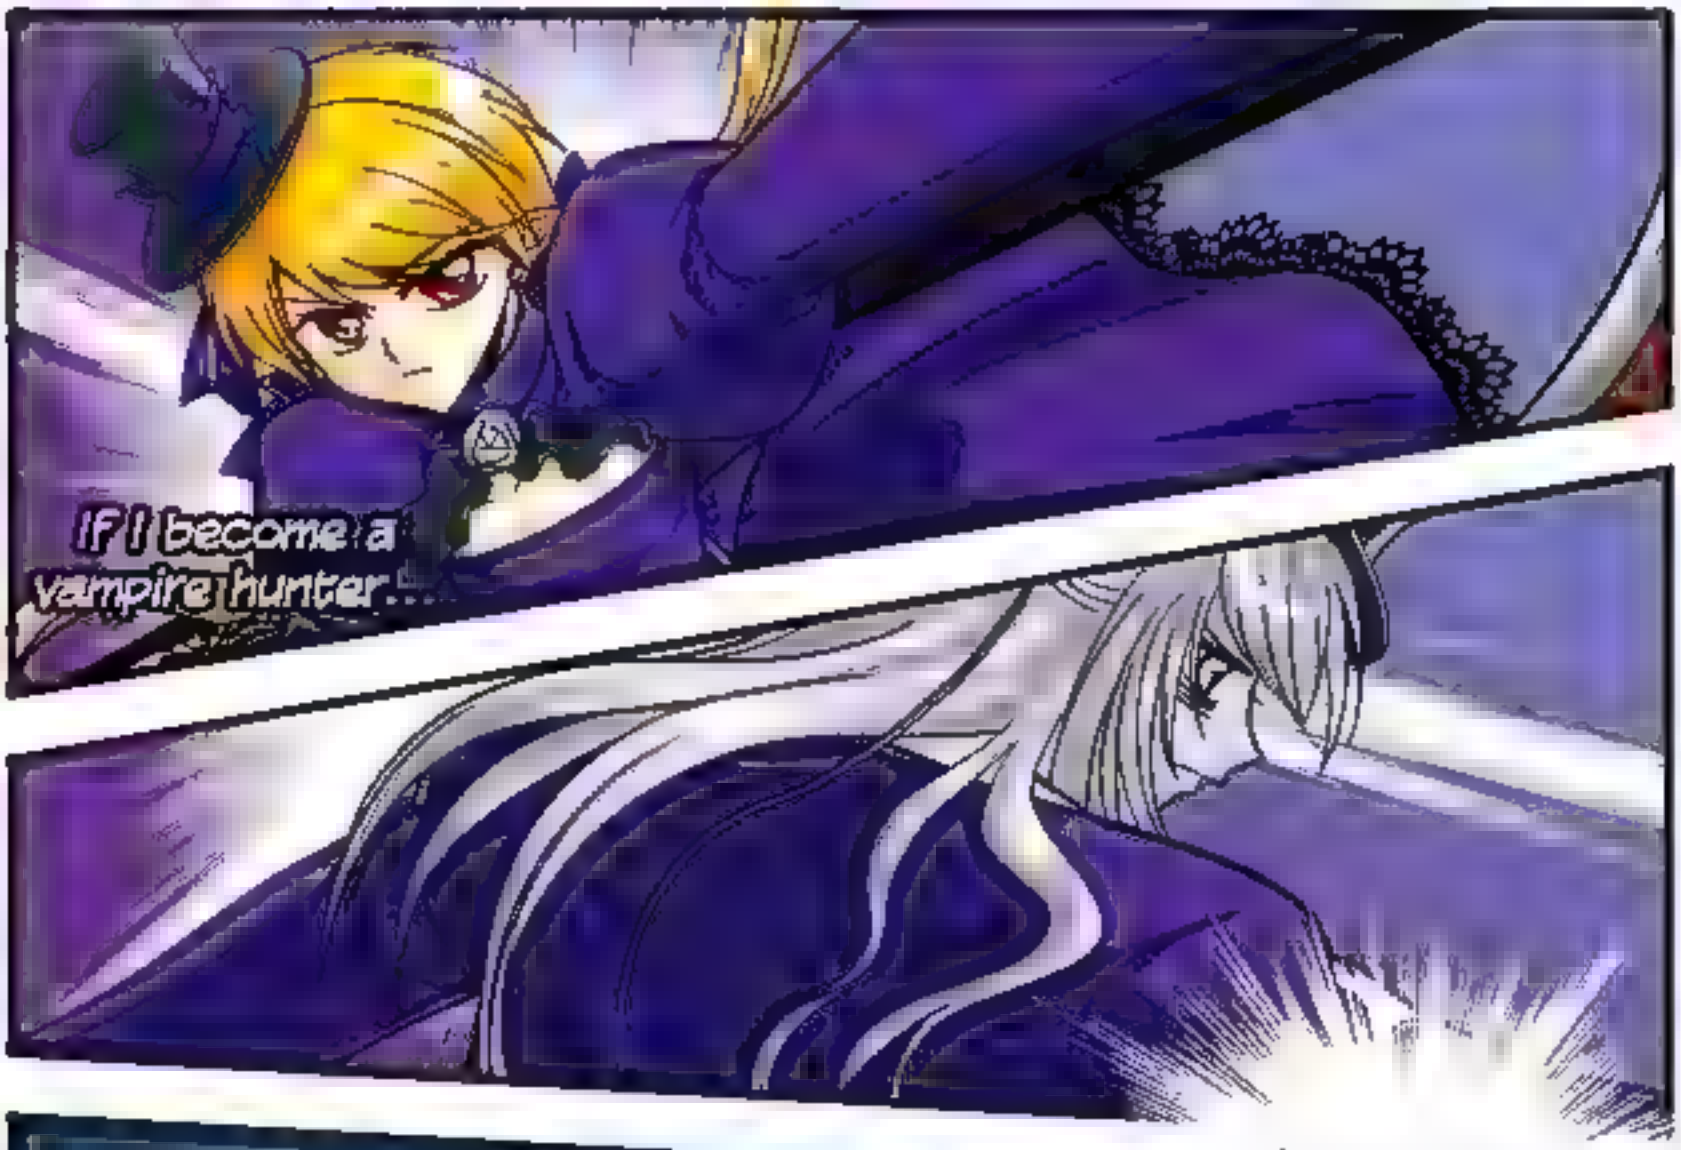
Sorry...

Good thing I sat further away.

Are you sure about this, Senhai?

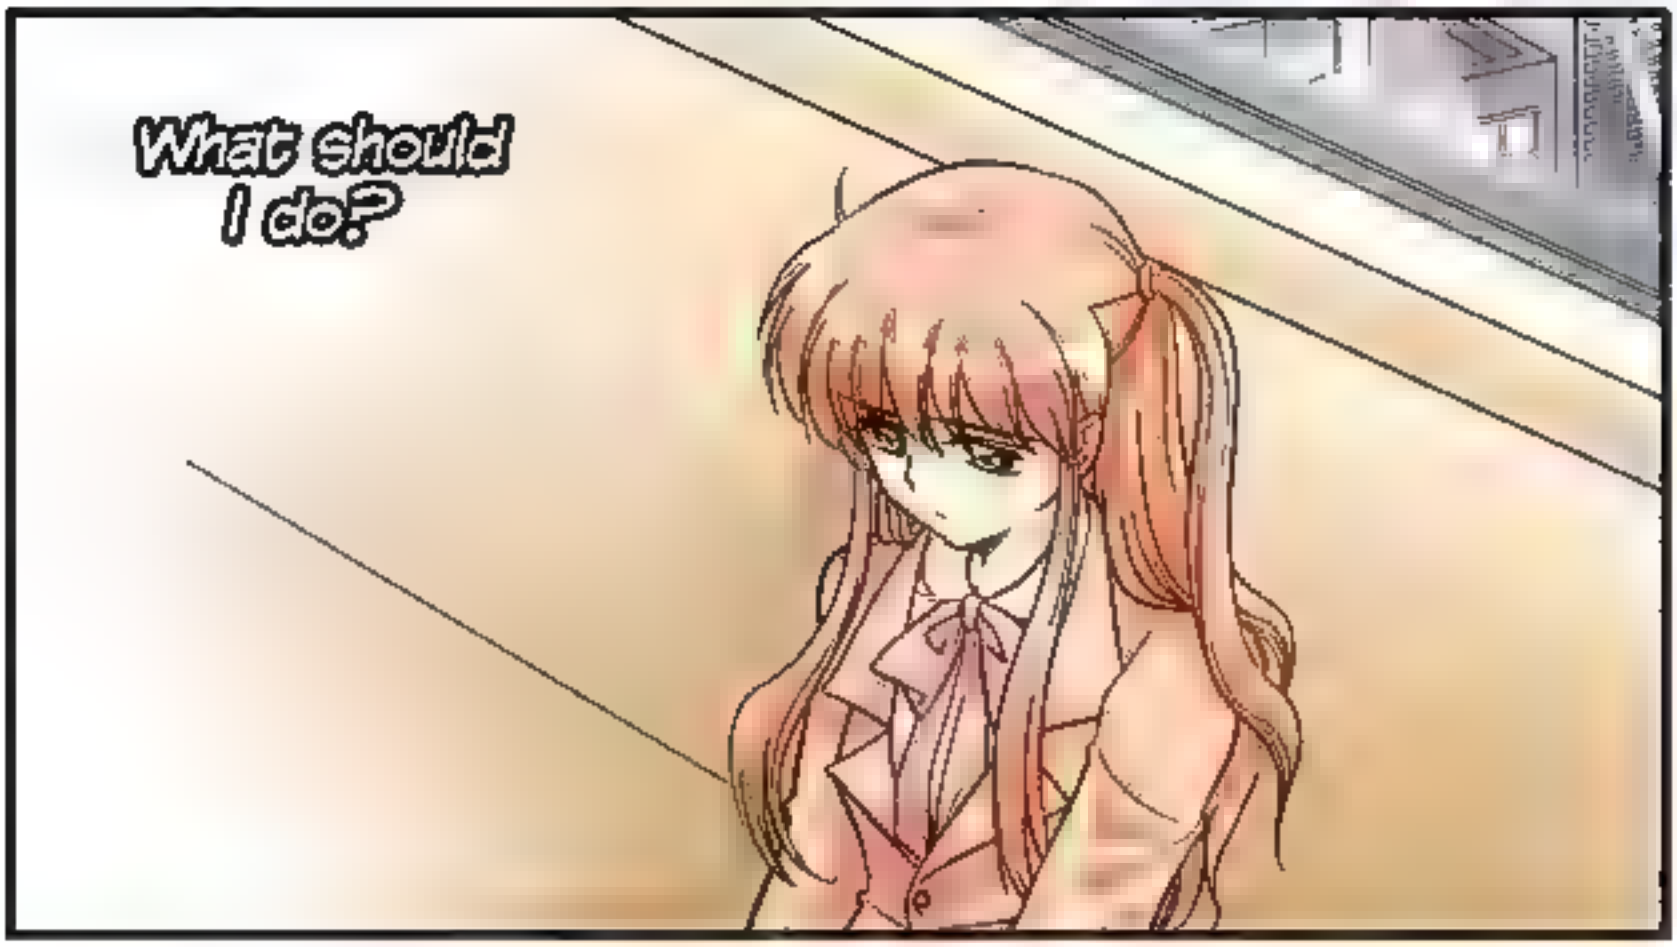
Yes.

CUT THE CRAP! KEXIN'S JUST A CHILD!

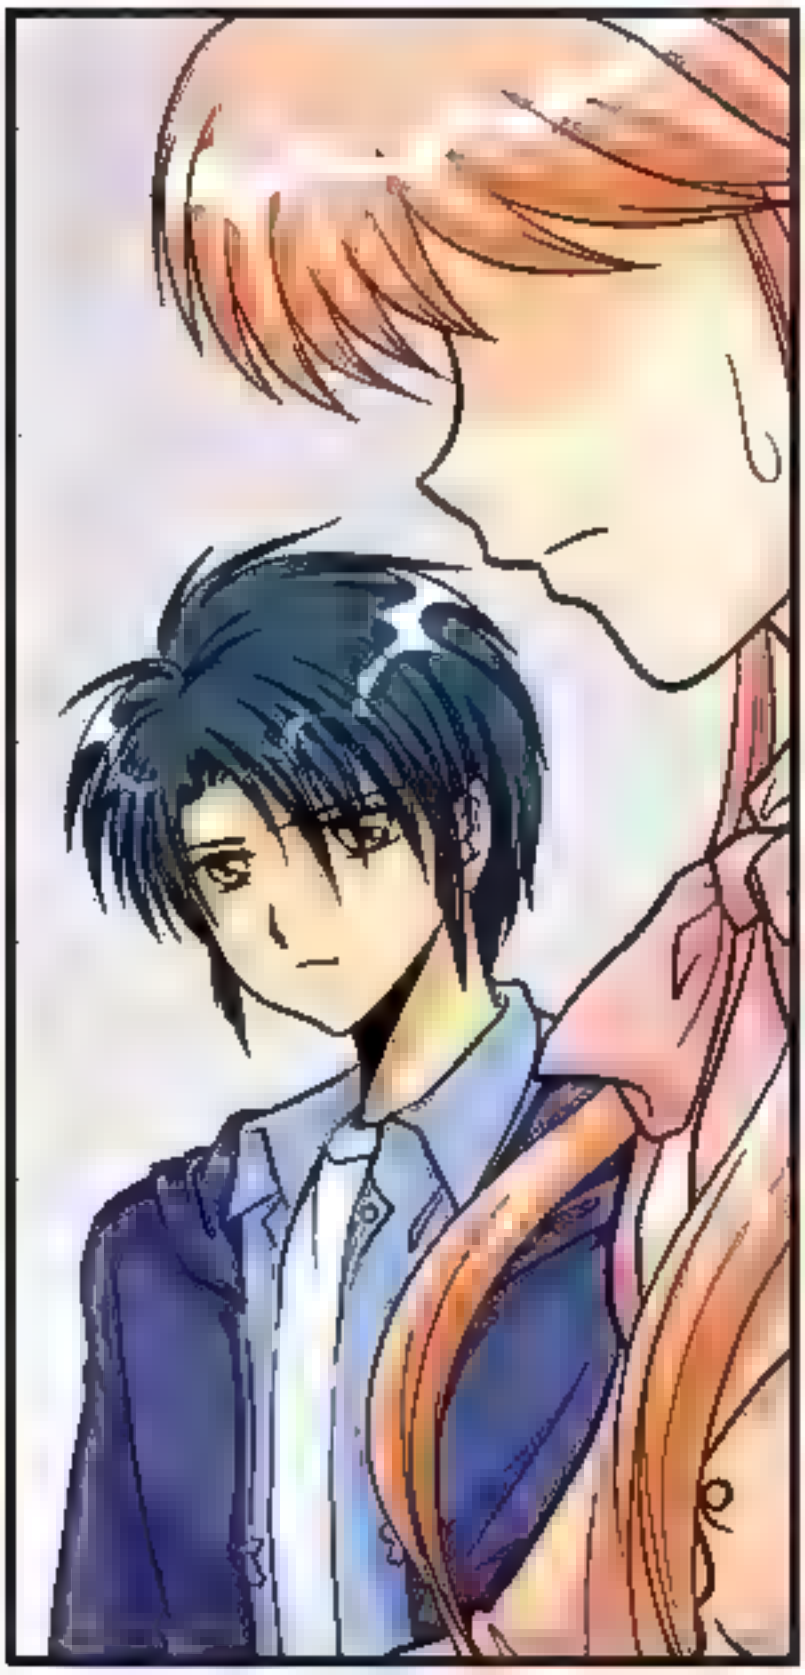


If I become a vampire hunter...

I'll have to fight with them?!
I...



What should I do?



Kexin, think carefully about this.

Ah, right, don't tell your mother about this first, I'll find a good time to explain everything to her.

Fine.

Ah... What to do?

Zijing's already signed on today.

After passing the test next month, he'll be a proper vampire hunter.

Ah...
